

War & Armed Conflict Disruption Cover

A new approach to an area traditionally excluded by travel insurance.

Included with every policy:

Medical cover at no extra cost

no selection needed - this is included automatically

If you're unexpectedly caught up in a **new** war or armed conflict event while travelling overseas, your policy includes medical protection at no additional cost.

Optional War Disruption Cover:

Up to \$5,000 for additional travel costs

select the optional cover if you want this included in your policy

From just \$39 per adult, you can add optional War Disruption Cover for your trip.

Dependent children insured on the policy are covered at no additional cost.

If you're unexpectedly caught up in a **new** war or armed conflict event while travelling overseas, this may help with:

- Additional accommodation
- Rearranging travel plans
- Returning home early when necessary

This cover is designed for new and unexpected events that occur after your trip has started. It does not cover known or ongoing conflicts.
